

The future self I expect to become

In 2050 ...

My financial stability depends on

I compromise between

and

I continue to find pleasure in

The future self I hope to become

In 2050 ...

I no longer worry about

No one can stop me from

My days are filled with joys like

The future self I'm afraid to become

In 2050 ...

I pretend to be in control,
but I'm scared that

I abandoned the question
"what do I want?" when

I don't feel much anymore when I
